Subject: Valentine's Day Celebration

Dear Friends,

Valentine's Day is celebrated on February 14. It is a festival of romantic love and people give cards, letters, flowers or presents to their spouse or partner as a token of love. This year we at Inject Care will celebrate Valentine's Day with our Valentine... "The Doctors!" by presenting them movie tickets to watch a movie with their spouse or partner.

Modus Operandi:

- Select 5 important doctors in your territory
- Select a movie & book two tickets for each doctor at a cinema hall or multiplex for 14th February 2016 of around Rs. 200 – Rs. 250 each. (You can select a show for late afternoon or evening when the doctor is relatively free)

Movies releasing this Friday

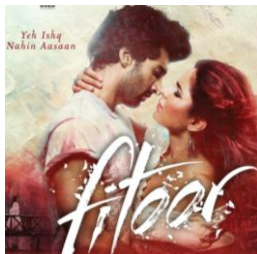

**Poshter Girl
(Marathi)**

**Lucknowi
Ishq
(Hindi)**

**Fitoor
(Hindi)**

**Polam Pol
(Gujarati)**

**Sanam Re
(Hindi)**

- Present the tickets to the doctor & tell them that we wish the doctor to celebrate their Valentine's Day with their loved one (This needs to be done well before 13th Feb'16.)

- *Reimbursement for the amount of tickets to be charged in Expense Statement of February 2016. (Kindly attach Xerox copies of the tickets along with your expense claim)*

Also remember to send us the feedback of this activity!

Wishing you all the best!!!
