ENRICHED WITH

Keratin

"Keratin helps make hair smoother
and easier to manage."

ABOUT TRICHUP SHAMPOO

Keratin is a protein that forms the main structure of hair besides providing strength, flexibility and softness. Trichup Keratin Range helps to replace lost Keratin from hair, rebuilds strength, restores elasticity and reduces breakage. The layers of cells, called the hair cuticle, theoretically absorb the keratin, resulting in hair that looks full and glossy. Keratin also makes curly hair less frizzy, easier to style and straighter in appearance.

Key Features:

- Makes hair smoother and easier to manage
- Has anti-frizz effect
- Enhances hair elasticity and minimizes hair breaking
- Gives luster, shine & bounce to dull, lifeless hair

HOW TO USE?

Wet hair & scalp thoroughly.

Apply a sufficient amount of Trichup Keratin shampoo on scalp and hair strands. Lather it from the scalp to ends of the hair.

Massage the scalp using fingers.

Leave for 1-2 minutes and rinse thoroughly. Repeat if necessary.
